

Dear Friends of MERCY Malaysia,

**RUN FOR A CAUSE – JOIN OUR FROST THE TRAIL MYMERCY RUN 2017**

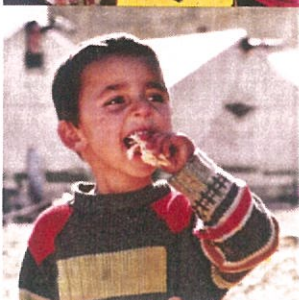

With your tax-exempted gift to MERCY Malaysia, you could:

Help those affected by flood rebuild and look forward, even after disaster - Your donation could help people like Mohd Rosli prepare, respond and recover from disaster, such as the flood that took all his possessions in Kuala Krai - but not his love of life.

Help mothers of Visayas give their children a healthy start - Your support could help give mothers like Teresa the knowledge they need to provide healthy meals and bring up healthy children. With nearly half of all child deaths are related to undernutrition, this will make a huge difference to individual families - and the future of entire communities

Help displaced children like Mohammed be kids again - Your compassion could help provide less privileged children in Gaza and Beka Valley the mechanism to cope with trauma resulted by conflict, through MERCY Malaysia psycho-social programmes. You can make joy possible even in the aftermath of tragedy.

Our work simply would not be possible without our amazing supporters like you who raise the money that funds it.
